Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Monday 05 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain approaching from the south this evening.

This Evening and Tonight:
Largely dry at first but cloud will quickly build as an area of rain moves northwards across all parts. Showery rain to follow, heavy at times with a risk of thunder. Minimum temperature 10 deg C (50 deg F).

Tuesday:
Outbreaks of rain from overnight continue clearing northwards, with scattered showers to follow throughout the day, heavy at times. The afternoon will see the best of any sunshine. Maximum temperature 19 deg C (66 deg F).

Outlook for Wednesday to Friday:
Scattered showers and sunny spells on Wednesday and Thursday, heavy in some areas with thunder possible on Wednesday. Drier on Friday with variable cloud.
